

YOU'RE IN GOOD HANDS

At Wildcat PT Home Health, we are dedicated to helping you lead a healthy, active life. Since the inception of our business, we have been providing our services to the home bound.

Whether you suffer from a chronic condition or recovering from an injury or surgery, our skilled therapists and nurses will work with you to lessen pain and speed healing and strengthening in the comfort of your home. From knee and hip replacements to those who lead less active lifestyles, we've helped many people in the local community.
